Correlation: Thoroughly describe your analysis of the comparables, the basis for selecting the one upon which you rely, and if applicable, why fewer than three comparables are used using TC 62-211 (RHP Correlation Pages 3A&3B). When the replacement housing payment exceeds statutory limits (\$ 5,250 for tenants and \$ 22,500 for owners), you must justify the need for using last resort housing funds.
